To You, The Students

. . . WE DEDICATE THIS BOOK. In your school you have worked and played together forgetting the boundaries of race, color, and creed. Soon, as you become the leaders of the world, it will be your duty to bring together the nations of the world and promote understanding as you have done on a smaller scale here in Monterey Union High School.

From the wide-eyed Freshmen to the blase seniors, the classes this year have been busily trying to out-do each other in campus activities. First came the "Clean-Up Your Campus Campaign" in which the different classes tried to keep their sections cleanest. The winners, the seniors, were given a free invitation to the last football dance. Then came the Magazine Subscription Sale contest which the eager freshmen won going away. The year was climaxed by the traditional picnics, and, of course, Senior Activities.

Classes

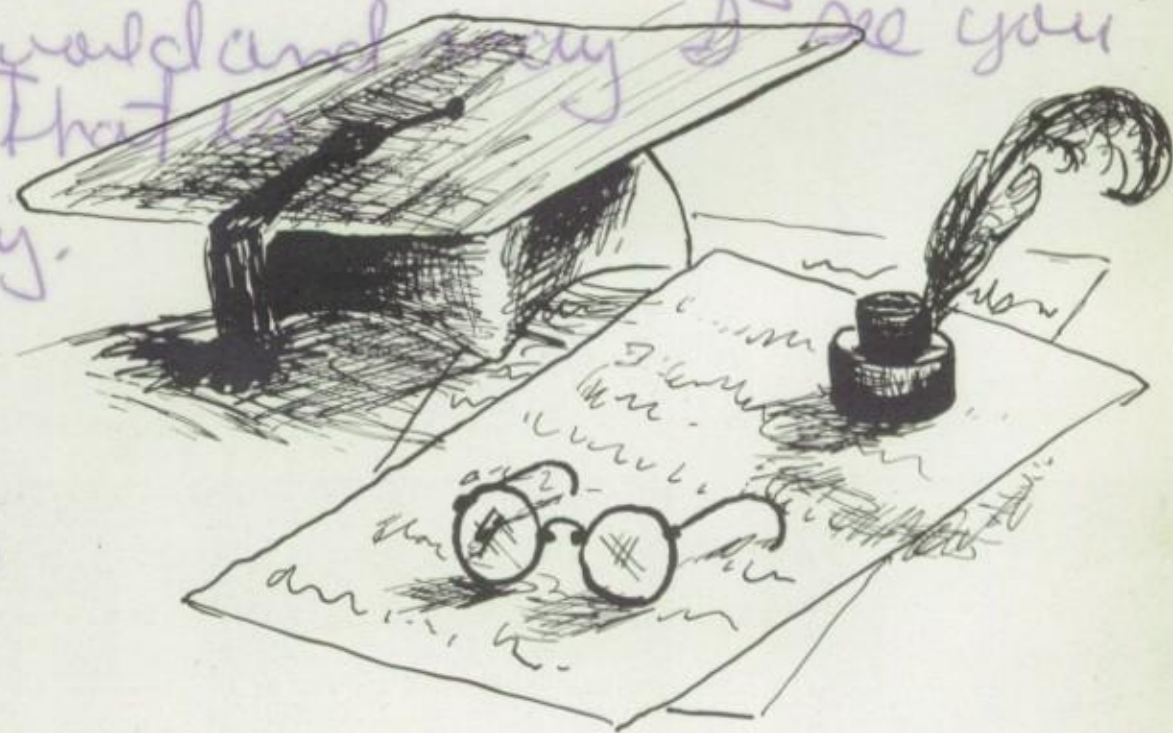

Well Rosa,

Senior Memories

With a feeling of joy tinged with regret, we Seniors prepare to leave the familiar classrooms of Monterey Union High School and go out into the world where each of us will go his separate way. We are eager to graduate, but when we are older we shall cherish the memories of incidents which happened in our high school days.

We shall remember the assembly and dance we sponsored as Freshmen, and the awed respect with which we regarded the Seniors.

How scornful we Sophomores, with our newly-gained poise, were of the Freshmen—how sure of ourselves. That year we sold popcorn at noon and sponsored the most unique dance of the year, the Fisherman's Ball.

Our junior year was one of our most enjoyable years. We sponsored a donkey basketball game and a boxing tournament and sold cokes in the Science Wing. We sponsored the very successful Madri Gras Dance, and the Varsity versus the Faculty Basketball Game in order to produce the Junior-Senior Prom at Asilomar on May 27.

This year, our last, we sold programs at the ball games, and more or less took it easy, sat back and let the under-classmen do the work. Our Senior picnic was held at Yuba Dam and our luncheon at the Mission Ranch.

At the outbreak of the Korean War, several of our classmates left Monterey Union High School to put on the uniform of our country.

We know not what the future may hold for us, but we can look back upon our high school days as carefree days.

Class of '52

The class of "52" was rolling on again this year, planning and executing bigger and better school activities. They were a far cry from the "green and wide eyed" freshmen of three years ago.

Kicking off the year with election of officers, the juniors placed in office Joe McNamara, president; Don Gee, vice-president; Louise Canepa, secretary; Bonnie Glover, treasurer, These officers remained in office throughout the year.

The first big social event of the year, sponsored by the juniors, was a formal affair, "The Winter Ball." Other projects diligently undertaken were "coke" concessions at athletic events and the selling of rooters' caps and pom poms. A booth at the May Carnival also helped fill the treasury for the biggest event of the year, the Junior-Senior Prom. This year the Prom was held at the beautiful Monterey Peninsula Country Club and was a huge success.

Dear Rose,
 Well babe, it's
 been fun hasn't it?
 This last year has really been
 just doing dumb things. (like
 you know what) But all in all compare
 I think you are one of the most wonderful

 means ~~more~~ a lot to me. Having a wonderful friend
 like you all these years is really comforting & helpful. But let
 me keep in mind our gang motto "N. M. D. B. B. long may it live."
 And don't forget to be ready when we all go camping in B. B. this summer
 to what comes naturally.
 Love always,
 Marie Crivello

 Annette

Dear Rose,
 Our class is finally leaving,
 and it's about time - it has
 been well knowing you and
 I hope we say goodbye better

Some of the high points of life at MUHS are the clubs and organizations. It is in these activities on a relatively small scale that many of the most interesting things are done. The various subject clubs, such as the T&I, the Spanish Club, and the Dramatics Club, give students with similar interests an opportunity to get together informally. Another type is the service club of which the Hi-Y and Key Club are examples. These have as their objectives helping the school and the community, and they demonstrate that fun and satisfaction can be found in working together.

Dear Rose.
 We've had this year sure had
 been fun! remember we met in

Freshmen

BESSIE, ADRIAN, KAZUKO, JOE

Class of '54

Three hundred and thirty lively freshmen who hit the MUHS campus in September, 1950, to begin their high school careers have succeeded in their efforts to make this year a standout, both scholastically and socially, by placing nearly thirty students on the honor roll each quarter and sponsoring one of the biggest of the spring-time parties—the May Carnival.

Among the other activities that the freshmen enthusiastically undertook were the sponsoring of a noon movie and an after-basketball dance. The freshmen also brought in the most magazine subscriptions for the contest held to raise funds for the student body.

The officers who led their class in reaching the goal of a successful year were Joe Indorato, president; Adrian Montiel, vice-president; Bessie Canepa, secretary; and Kazuko Hamaguchi, treasurer.

Life at the end of Larkin Street proved to be very eventful this year—from the freshman reception to senior week and graduation. We went to football, basketball, and even baseball games; we danced and danced at the Homecoming Ball, the formal Winter Ball, the after-game shindigs, and the junior-senior prom; we enjoyed the afternoon off when snow well in Monterey—even the teachers liked this; and all-in-all we had FUN this year in our home away from home at the end of Larkin Street.

To achieve membership in Golden "M," a student must be on the Honor Roll for eight quarters.

The C.S.F., California Scholarship Federation, is a state-wide organization composed of students who have earned at least three A's and one B on their semester grades. Their motto is "Scholarship for Service." When a student has been a member of C.S.F. for six semesters, one of which is in his senior year, he becomes a life member.

This year the C.S.F. attended the annual conference held at Berkeley, visited Stanford University, and held a banquet. Members of C.S.F. have been issued cards which entitle them to special privileges.

New students are elected to the group by the current membership which includes: Jere Cummings, Polly McKay, John Mortenson, Louise Canepa, Sylvia O'Neill, Pete Cutino, Joe Panetta, and Sally McCool. The adviser is Mr. Freeman Sargent.

The purposes of Los Conquistaderos or the Spanish Club are to encourage the study of Spanish, to bring together those who are studying or have studied Spanish, and to sponsor activities for its members. To be a member of the Spanish Club one must at least receive a "B" or better in Spanish.

This year the club held a pot-luck supper, an initiation party, a picnic at Big Sur, and its annual "Cascarone Booth" in the May Carnival.

This year the Latin Club held two successful picnics and sold refreshments during the tennis tournament.

To become a member of the French Club, a student must have at least a "B" average in French. The main project of the year was the sale of french fries at the football games.

The club, composed of twenty-five juniors and seniors, meets alternately at the high school and at the Army-Navy Y.M.C.A. to discuss the activities and enjoy the speakers and movies. Jerrold Schoeder is the sponsor of the club.

The Key Club is a junior service club sponsored by the Kiwanis Club and has as its motto, "We build." Membership is limited to five sophomores, ten juniors and fifteen seniors, with all new members chosen by election.

The most important activity of the year was the annual "Twerp Week." During this week, the girls had to take over the boys' job of asking for dates and paying bills. The week was climaxed by the big "Twerp Dance," which proved a lot of fun.

The Camera Club is a group composed of those students who take photography and others who show an active interest in the subject.

This year the members of the club took pictures of practically every school activity, and most of the pictures appearing in El Susurro are the club's work. With the money from the sales of these pictures, the club bought a small speed graphic camera for use in the photography class.

The Radio Club was established to further the students' interest in radio and electronics. A very interesting activity of the year was a visit to the FM station on Mount Toro. The high spot of the year was the annual Crystal Gardens dance put on every spring.

The purpose of the Trade and Industrial Club is to bring together the members of the trade classes to promote social and educational activities. The club is composed of students enrolled in the three-hour trade classes. This year the club has sponsored three skating parties, an Easter dance and the annual club picnic. It has also held one evening meeting. At this meeting, Mr. Edwin Brook, a local contractor, gave a very interesting and educational talk about how the fundamental training received in the shop classes would help club members to advance faster when they enrolled in an apprenticeship training program.

Some of the club's projects this year were to sell hot-dogs and coffee at all the football games, give a Christmas Tea for all the mothers of the girls in MUHS, be hostess to the State Meeting held at Asilomar and participate in the district meeting at King City. The senior members took a two-day trip in March to San Francisco where they visited Apparel City and the Sperry Testing Kitchens.

The CMS, the Science and Mathematics Club, is a relatively new club at MUHS. Members of the club must be interested in science or math, maintain at least a "C" average, and be sophomores, juniors or seniors.

A very successful year was enjoyed by the members of the club. Demonstrations given at most of the meetings proved very interesting. A trip to the Moss Landing PG&E plant was planned. The year was completed with a booth in the May Carnival.

The club boasts three faculty advisers: Miss Johnson, Mr. Poskus, and Mr. Schroeder. The officers for the first semester were: president, Ernst Ewoldsen; vice-president, Luis Wolter; secretary, Janet McLean; treasurer, Martin Ewoldsen; sergeant-at-arms, Bill Greschel.

The Paletteers is one of the school's most active honor organizations. Membership is by invitation and to qualify one must have an A or B average in art and at least a C average in all other subjects.

The Paletteers are known for their annual variety show, and they present honor pins to the people who give outstanding performances for two years.

The main activity of the year was a trip to San Francisco, where the members attended three art galleries, toured through China Town, enjoyed a dinner and attended the Scholastic Art Show. The Paletteers also sponsored a picnic and swimming party, a senior dinner at Bonnie Glover's home honoring all senior members and last of all a booth in the May Carnival.

This year the Dramatics Club, in trying to stimulate new interest among students, has been open to all who wish to participate. Next year, however, the requirements for entering will be based upon how much the individual will take part in plays. Each student will have to participate in one play in order to become a member.

The club has produced five plays this year. The four one-act plays were: "The Bishop's Candlesticks," "The Boor," "The Spider," and "Truth and Bondage." The only three-act play, "Tish," was given at Pacific Grove Auditorium two successive nights.

One of the Dramatics Club's most interesting activities was a trip to San Francisco where the members saw "Where's Charley?" a musical adaptation with Ray Bolger.

Galleon Staff

The main purpose of the Galleon Staff is to write the school paper, which is a semi-monthly publication.

Any senior can become a member of the staff provided the adviser approves. Any sophomore or junior having a B average in English and the approval of the adviser can also become a member.

This year the club sponsored the Homecoming Ball. Every month the staff has a party which includes members and their guests. Any business concerning the club is brought up at this time. The Galleon Staff had the candy concession this year at the basketball games, the profit being used for the monthly get-togethers.

The C Y F (Christian Youth Federation), better known as the Bible Club, aims to promote Christian fellowship among the students and install in them a better understanding of the Bible. Any student in MUHS who wishes to participate may join and go to the weekly meeting. Included in the activities are a weekly speaker, song fests, and outings.

In MUHS, the students have a chance to participate in many types of sports. In the fall and winter football and basketball are dominant, but in the spring there is a wide selection. The track and baseball teams have always been popular choices among the boys, but the most spectacular records have been amassed by the tennis, golf and swimming teams, which have been the pace-setters in the GCAL for the past ten years.

Varsity Football

The beginning of the 1950 football season found eight vacancies in the varsity line-up left by the players who graduated from last year's team. Although there were not too many returning veterans, the team quickly settled down and after a defeat at the hands of Pittsburg came back and defeated Bellarmine 12-0.

The Toreadores, after losing the first two games of league competition, found their feet again and finished the season with a good showing, ending up in second place in the CCAL.

Jack Arancio, John Corson, Vince Bevilaqua, Ray Crivello, and Rei Yoshinobu formed the backbone of the Toreador line and were assisted by Peter Lecce, Tom Lucido, and transfer Anthony Rappa at ends. The backfield, spear-headed by Tom Enea, Herb Zimmerman, and shifty Laurence Segovia, was lead by quarterbacks John Coniglio and Joe McNamara. Tom Crawford, Jim Doody, and Leo Gota, who was hampered by injuries, filled in the backfield. Tom Arcoleo and Anthony Rappa filled the important defensive linebacking positions.

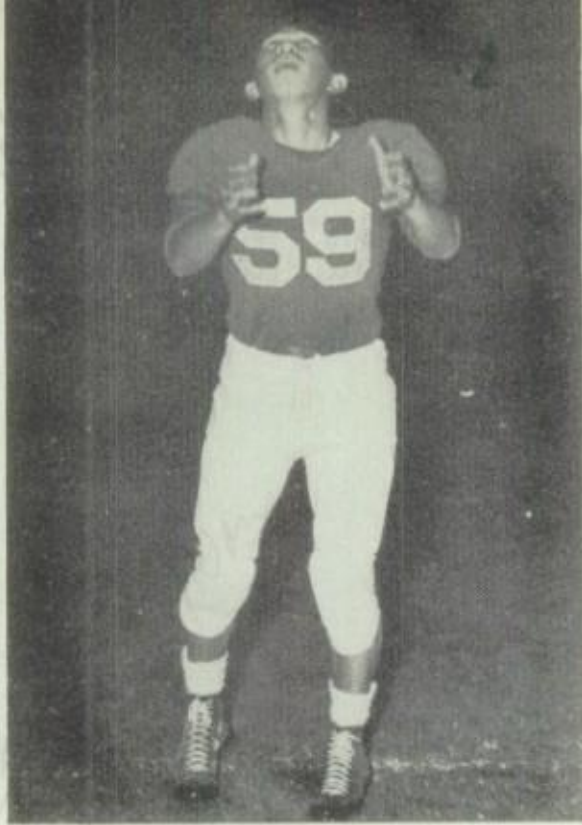

From the very beginning of the season at the Salinas Jamboree speedy halfbacks Laurence Segovia and Tom Enea and powerful fullback Herb Zimmerman constantly racked up yardage. Segovia, who is well remembered for his long sprints to the goal line, was later named All-CCAL. Linemen Vince Bevilaqua, John Corson, and Jack Arancio were especially strong on defense and formed a strong forward wall.

The 1950 team collected four All-CCAL choices. For their outstanding work Laurence Segovia, Jack Arancio, John Corson and Vince Bevilaqua were unanimously chosen for these honors at the close of the pigskin season.

The lightweight football team of 1950 did not have a chance to play a full schedule of games due to an unfortunate incident toward the end of the season. Twenty-one of Coach Doug McNeil's Toreababes were disqualified from league competition by the Board of Managers for unsportsman-like conduct toward the visiting team's rooters during a varsity game.

The regulars on the lightweight team were Jim Watson, Horace Ferrante, Gene Roncarati, Ray Cardinale, Jim Stewart, Doug Forzani, Pete Curatalo, Martin Moss, Charles Fuggetta, Corky Wall, Sal Aiello, Don Myers, Nick Hazdovac, Eddie Albert, Vince Lombardo, and Jim Yokota.

Jim Watson, the sensational back and a newcomer to Monterey, scored most of the lightweights' touchdowns during the season. He was ably assisted by Gene Rocarati, Eddie Albert, Charles Fuggetta, and Jim Stewart, who was a very capable line-backer as well as full back.

Nick Hazdovac and Martin Moss held down the end spots on the Toreababe line and flanked Ray Cardinale and Fritz Myers at tackles. Doug Forzani and Corky Wall also proved to be rough linemen for their opponents.

The lightweights ended their season with a tie for second place in the league. They won two, lost four, and forfeited two games. Included in the wins was a 31-0 victory over the Salinas lightweights.

Varsity Basketball

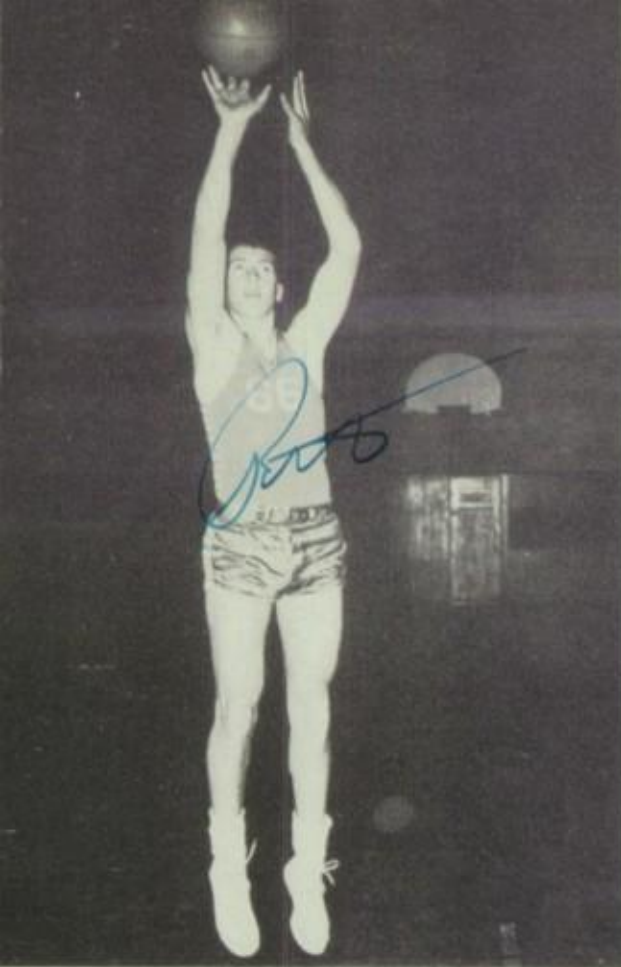

The Toreador basketball team ended its 1951 season by latching onto the third place slot in the 'A' division of the Coast Counties Athletic League. Coach Ed Larsh built his starting team of five veterans, a former lightweight and one newcomer to the game. Laurence Segovia, Pete Cutino, Darrell Sanchez, Charles Howell, and Vince Bevilacqua returned from last year's team and former lightweight star Tony Cardoza came up to add his share to the scoring. Jack Frost, who played for his first year, showed rapid improvement throughout the season and ended second only to Laurence Segovia in the scoring honors. Joe McNamara, who started the season slowly, turned out to be a valuable asset to the team.

Laurence Segovia made All-CCAL and won the praise and admiration of local sports-writers and league officials. Peter Cutino, Jack Frost, and Tony Cardoza showed excellent play throughout the season with their long distance shooting, which contributed so much to the Toreador offense.

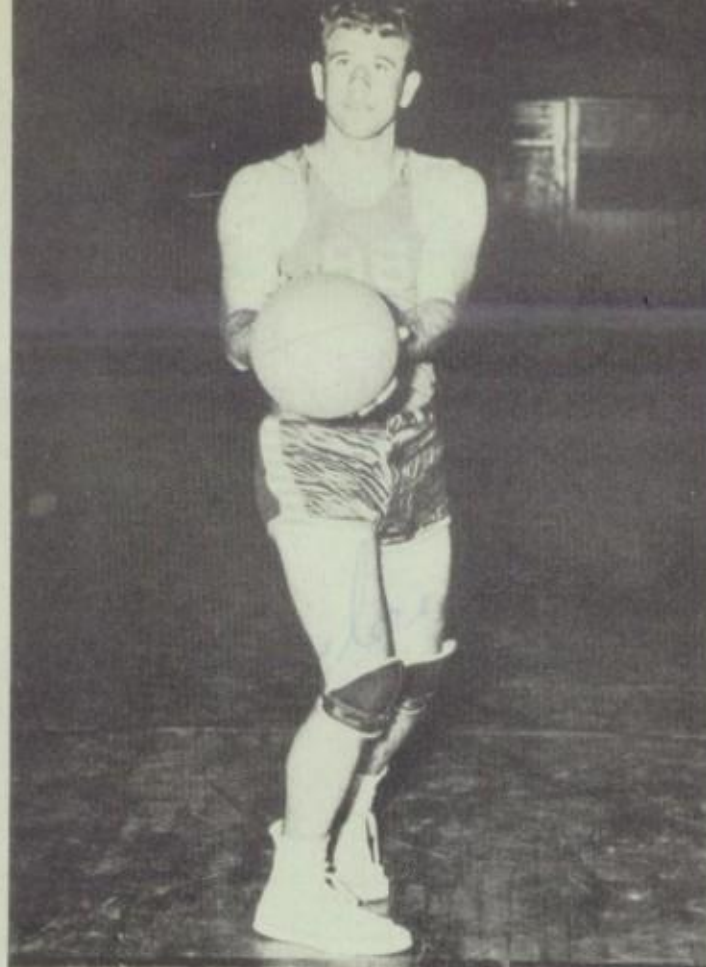

Center Charles Howell, tallest of the Green and Yellow, accounted much for rebounding and tip-ins, along with big Vince Bevilacqua who hustled every minute he was on the floor.

Dependable reservists like Joe Panetta, Vince Tomasello, Vince Ruiz, Darrell Sanchez, and Mike Marron who didn't start in any of the games usually played toward the final periods.

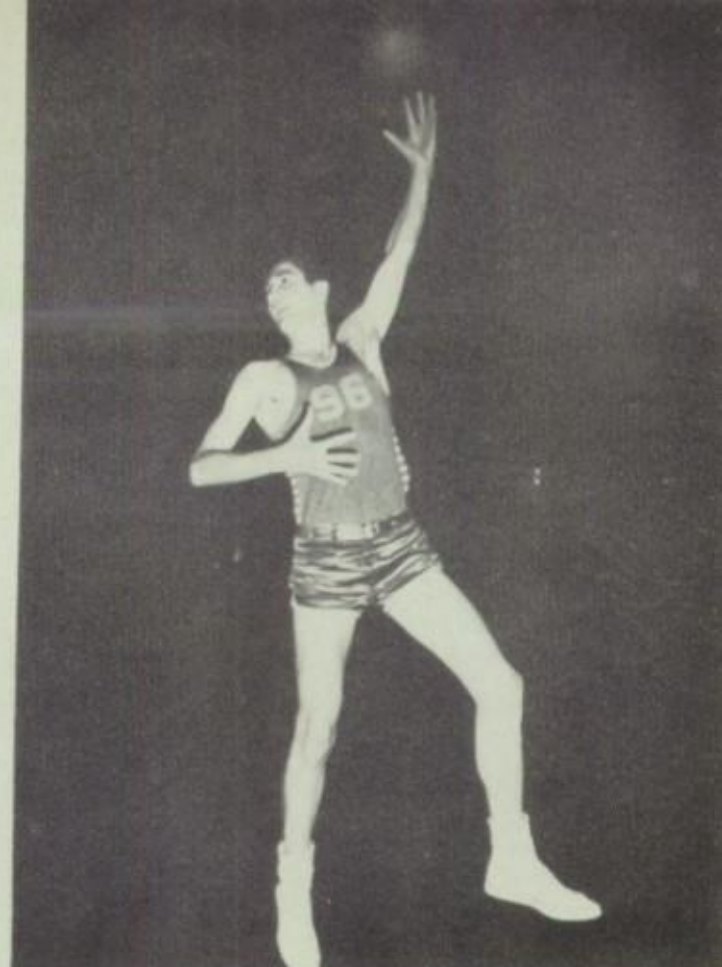

Even though the Toreadores ended up in the league behind Watsonville and Salinas, the season was considered to be very successful. Watsonville and Salinas had two of the best teams in the history of their schools. The Toreadores steadily improved throughout the season, ending up by winning six out of their last seven games.

Coach Bob Clark's Toreababes ended their season tied for second place in the CCAL for the first time in several years. The "Babes" played good games throughout the season and lost two heart-breakers in league competition by only one point.

Louie Canepa was undoubtedly the outstanding man and was chosen All-CCAL. He set a new CCAL scoring record, racking up 96 points in six games. Ray Cardinale was the only other contender for CCAL honors.

Charlie Tringali, Bill Iwamoto, Dominic Canepa, John Logan, Sal Aiello, and Doug Forzani also saw action in most of the games and aided in piling up those necessary points.

Baseball

In this year's baseball squad Coach Clint Purcell found plenty of experience. There were a number of returning lettermen and several newcomers with plenty of playing behind them.

In the pitching position was three-year letterman Laurence Segovia, a fast ball artist. Leroy Wentz and Bob Shannon held down the other hurler spots, and the catching staff was made up of Lee Harter and Bill Kennedy. In the other infield spots were Vince "Moose" Bevilacqua at first base, Ray Cardinale at second, Joe McNamara at short-stop, and Tony Cardoza at third. Joe Rogers was the utility man. Regularly out in the outfield were Anthony Rappa, Gene Roncarati, and Sal Aiello. Rounding out the team were Darrell Sanchez, Bill Ferguson, Alan Triplet, Bernard Catron, and Earl Boyce who contributed their share in the playing.

Varsity Track

As El Susurro goes to press, the Toreador Varsity shows talent but lacks the all-around strength necessary for winning championships.

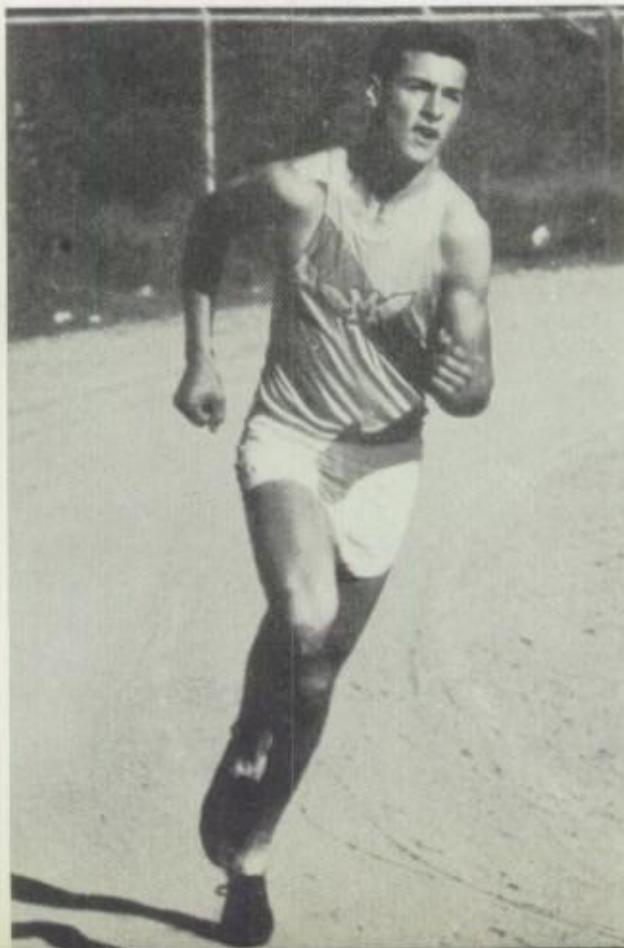

Several trackmen have shown that they can compete with the league's best in their events. Marvin Ponce has broken the school record for the shot put at 47' 3 1/2" and may prove the league's best, while Jim Doody, the sprinter, broadjumper and quarter-miler, may go through the season as the best broadjumper. Laurence Segovia has come within one-tenth of a second of the school's low hurdle record and is a strong threat in the broad jump. He and Doody have both jumped better than twenty feet, while Tom Crawford has proved himself one of Monterey's best high jumpers of recent years.

Lightweight Track

Once again the Toreababes have shown the greatest potentialities of the school's track forces.

In Harvey Nielsen, present 660 school record holder at 1:31.3, and Larry Brown, the "Babes" have potential league champions.

Bob Harris is counted on to retain his league sprint crowns and will be helped greatly by Bill Alioto in the battle for sprint points.

John San Paolo can place well in either the 330 or the 1320 while Gary Oleari looks very good in the 1320 and James Edmondson in the 330 and sprints.

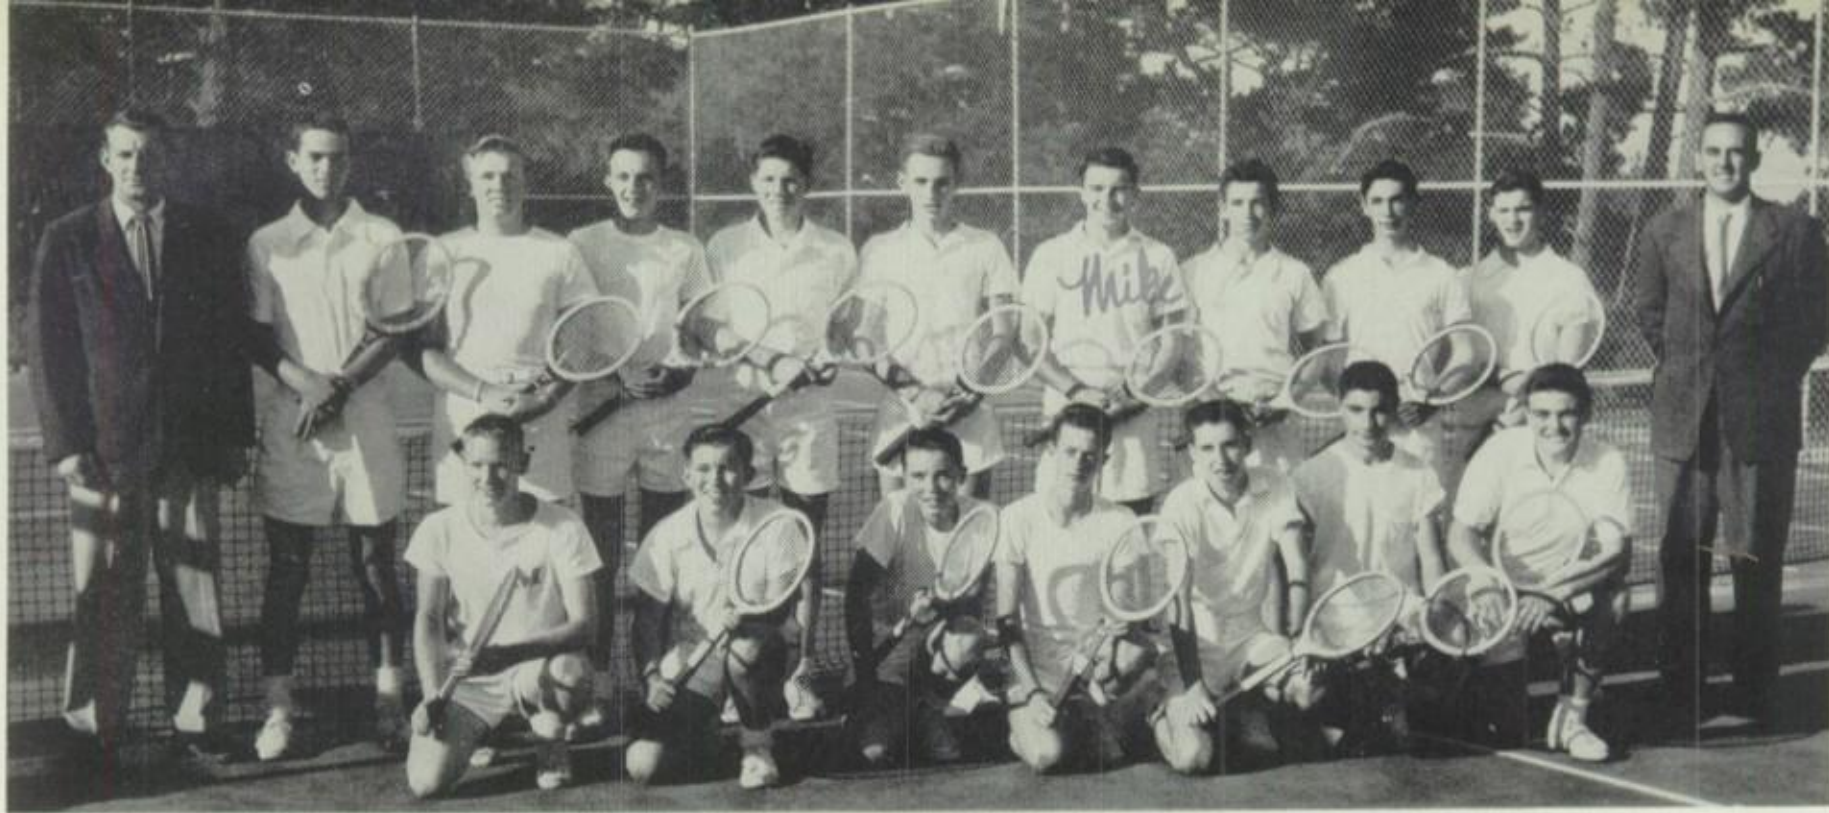

The pole vault is in the hands of Gene Moore and Nick Hazdovac. !

Tennis

The 1950 Toreador tennis team won the CCAL Tennis Championship for the thirteenth consecutive year, and the quality of the 1951 team assures MUHS of the championship for the fourteenth year.

The 1951 team, with no seniors, is probably the top team in California and one of the best in the United States. For competition it is meeting freshmen teams from Stanford and U.C., Ventura, Santa Monica, South Pasadena, and University High of Los Angeles (four of Southern California's strongest teams), as well as Modesto Junior College—the 1950 National Junior College Champions.

Swimming

The MUHS swimming team prospects this year looked bright as El Susurro went to press. In past years Monterey teams have been tops in the CCAL, and it looks as though MUHS will again be highly respected.

Diving very ably for the team will be little Jerry Googins. Monterey can proudly boast of three outstanding freestylers: Pete Cutino, Richard Brownlie, and Roy Sakai. Franklin Young should improve in the breaststroke while Chuck Wilson and Dave Hildebrand promise to be consistent point winners in the backstroke events.

Coach John Poskus is pleased with the fine group of lightweights from the freshman class. Edmund Chang should turn in good performances in the 100-yard freestyle and 150-yard individual medley while Bobby Marett promises to develop into a fine freestyle and backstroke swimmer.

Terminating their 1950 season by taking the CCAL Championship and the Peninsula Tournament, Coach Wayne Edwards' club-swingers had a very successful season. They had plenty of experience, for they lost only one man from last year's championship team.

Up to the time El Susurro went to press, they had had only one match, that one against Carmel when they emerged on the long end of a 13 - 2 count.

Dear Mother
 I have just
 received your
 letter of the 10th
 and am glad to
 hear from you
 and all the family.
 I am well and
 hope this finds
 you the same.
 I have not much
 news to write at
 present.
 Love to all
 Yours truly
 John

Have a happy
holiday. We're tired, too.
The staff

— Rose, my love —

Well you told you, this year is over so soon and we've just got started, huh! Next year we'll really have our fun. To bad you weren't going to graduate with us next year, that's a right for fun, but you come with us any way. O.K. Take it easy with Paul, huh, but don't let him get you down. I have really had fun with you nuts this year and hope we have just as much fun next year. I kind-of split up from you — — — — this year, near the end, because of Joe but I still love you all. You know how it is! I let you know when I decide to get married so you can cry for me (big joke). This summer call me when you have some time left over. I hope we get together some time this summer. And you better be nice to me or I'll do all my shopping at Genovese's! You sure looked nice at the Prom this year, I hope to see you there again next year. You better give us a good Prom or else! I hope you have as much fun your fr. year as I did. Don't let the new freshmen get you down or else you'll be cutting your hair some more. Well you — — — you be good and try to have fun anyway. See you around a lot I hope, remember I only live two blocks from you.

Your Pat Always
